Re: Docket #2011-457-WS

Dear Members of the Commission:

As a resident and member of the Mill Creek Falls Homeowners Association, which consist of a community of 398 home sites within the 29710 zip code area in Lake Wylie, SC, I am writing to you to disapprove the application of Carolina Water Services increase in Water and Sewer rates. An 80 % no less any increase in rates at this time is absurd and insulting to the residents of Lake Wylie. We already pay one of the highest water and sewer rates imaginable and this rate request is an insult to the people of the community.

We ask the Public Service Commission of South Carolina to do the right thing and deny the rate increase.

Sincerely,

Ronald & Arlene Lamparer
